

WELCOME MESSAGE

Warm Regards,

Warm Aryana, MD
Chairman of AAC Indonesia

Dear Distinguished Guests, Colleagues, and Friends.

It gives me a great honor and privilege to invite you to attend the 5th Asia Arthroscopy Congress (AAC) Combined meeting Annual Meeting of Indonesian Orthopaedic Society of Sports Medicine and Arthroscopy (IOSSMA) from September 8th - 9th, 2017 which will be held at Bali Nusa Dua Convention Center, Nusa Dua, Bali.

Arthroscopy is one of the most exciting and fast paced fields in orthopedic surgery, and Asia has greatly contributed to its advancement. Aiming to promote high quality academic exchange, as well as distribution of new advances among Asian countries, the AAC has long been a leading congress for Asian arthroscopists and related personnel. AAC and IOSSMA has been growing every year and the theme for the congress is "Step Forward to the Highest Challenge in Sports Medicine and Arthroscopy". Our congress topics will cover the most recent advances in shoulder, elbow, wrist, hip, knee, and ankle joint arthroscopy.

I would like you to take this opportunity to discuss various topics and to exchange views on the field with leaders and high-profile experts from various Asia countries. Also it will be a significant experience to share friendship one another, as we are firmly rooted in a belief that we can be better by working together.

The meeting will be held in September when Bali experiences nice weather. A popular tourist destination, Bali features such landmarks as Kuta, Sanur, Tanah Lot Ubud, and Kintamani. Other Temples include the Besakih Temple and Goa Lawah Temple. A variety of social events will be offered including a Welcome Reception, a spouse and guest program and tour assistance. I cordially invite all of you to attend the 2017 5th AAC combined meeting 5th Annual meeting IOSSMA and have valuable time interacting with one another during this truly academic events. I'm very much looking forward to memorable and fantastic meeting.

Welcome to 2017 5th AAC combined meeting 5th annual meeting IOSSMA Bali, Indonesia.

We cordially invite you to the 5th Biennial Asian Arthroscopy Congress combined meeting with 5th Annual Meeting Indonesia Orthopedic Society for Sport Medicine and Arthroscopy in Bali, Indonesia. The AAC Congress continues to be considered the premier international meeting, providing a unique opportunity for attendees to share, discuss and learn the latest advancements in arthroscopy, knee surgery and sports medicine.

The three-days 5th Biennial Asian Arthroscopy Congress combined meeting with 5th Annual Meeting Indonesia Orthopedic Society for Sport Medicine and Arthroscopy will include a myriad of educational opportunities. The meeting provides a variety of new and cutting edge surgical techniques and approaches to clinical management, combined with overviews of current controversies in orthopaedic practice.

Bali Island is a small beautiful island and a part of Indonesia archipelago. It own the panorama and unique culture that make this island is exclusively than others. Furthermore, It's location is in the tropical situation as Dream Island for a vacation. Bali Island has many places of interest such as rice paddies, beautiful panorama, volcanoes, tourism activities as well as attractions. In addition, It also has beautiful jungle, long sandy beaches, warm blue water, crashing surf and friendly people. Moreover, the local people presents daily community ritual and a lot of things make your day unforgettable. A variety of social events will be offered including spouse and guest program and tour assistance.

We look forward to meet you in Bali.

Warm Regards,

Andri MT Lubis, MD, PhD
AAC Representative

We welcome you to "The 5th Biennial Asia Arthroscopy Congress combined meeting with The 5th Annual meeting of Indonesia Orthopedic Society for Sports Medicine and Arthroscopy (IOSSMA)" from 7-9 September 2017 at Bali Nusa Dua Convention Centre, Nusa Dua - Bali, Indonesia. This is the continuation from the previous AAC in Seoul (Korea), Beijing (China), Jaipur (India), and Seoul (Korea).

The theme of 2017 AAC Congress and the 5th IOSSMA is "Step Forward to the Highest Challenge in Sports Medicine and Arthroscopy". The Congress offers symposia and video sessions regarding orthopaedic sports medicine and arthroscopy from the Asian experts. There are some cadaveric workshops before the congress.

From the Congress, you will gain insights into clinical application and knowledge; and outside the Congress, you may enjoy the splendor of Bali, Indonesia. Bali is one of the best islands in the world with its wonderful beaches. Furthermore, it is a perfect destination to enjoy the day and have leisure time with your family as well as colleagues. Bali has a unique blend of modern tourist facilities combined with wonderful shopping, interesting tradition and culture, a rich past as well as heritage sites. There are also the Balinese festivals in a magnificent temples as well as palaces. We would like showcase the very best of Bali, and above all our friendship and hospitality.

We encourage you to contribute your advanced research results to the Congress, and enjoy Bali several days before or after the congress. We are very much looking forward to welcoming you to Nusa Dua - Bali, Indonesia in September 2017.

Warm Regards,

IGM Febrly Siswanto, MD
President of IOSSMA
